

2020 NAIDOC Poster: Shape of Land

Tyrown Waigana, a Noongar and Saibai Islander man designed the 2020 National NAIDOC Poster, Shape of Land.

Tyrown's artwork tells the story of how the Rainbow Serpent came out of the Dreamtime to create this land. It is represented by the snake and it forms the shape of Australia, which symbolises how it created our lands.

The colour from the Rainbow Serpent is reflected onto the figure to display First Nations peoples connection to the Rainbow Serpent, thus their connection to country.

The overlapping colours on the outside is the Dreamtime. The figure inside the shape of Australia is a representation of Indigenous Australians showing that this country - since the dawn of time - Always Was, Always Will Be Aboriginal Land.
